

Our Learning Newsletter: Summer 2

 <p style="text-align: center;">English</p> 	 <p style="text-align: center;">Maths</p> 
<p style="text-align: center;">In school we are learning: Robinson Crusoe and 'Moving on' (transition)</p> <p style="text-align: center;">Home learning opportunities: Can your child tell you what they know about Robinson Crusoe? Can they write a letter or a poem to their teaching team next year to tell them all about themselves?</p>	<p style="text-align: center;">In school we are learning: Number, Shape Space and Measure and Problem Solving.</p> <p style="text-align: center;">Home learning opportunities: Could you practise your times tables? Have a try on Rockstars (let me know if you need your password)! Which times table do they find easiest? Hardest?</p>
 <p style="text-align: center;">PSHE</p> 	 <p style="text-align: center;">Computing</p> 
<p style="text-align: center;">In school we are learning: Caring and intimate relationships</p> <p style="text-align: center;">Home learning opportunities: Can your child discuss their hygiene routine? Is there anything else they need to help them keep a good routine (deodorant/ more time to have a shower etc.)? Do they know the changes that are happening in their bodies during puberty? Do they have any questions about growing up for you?</p>	<p style="text-align: center;">In school we are learning: Researching and comparing information to make informed choices.</p> <p style="text-align: center;">Home learning opportunities: The children have been tasked with researching and comparing prices of cinema tickets at different venues. Could they organise a family holiday for you searching for package deals, restaurants and entertainment for the whole family. Presenting and comparing prices.</p>
 <p style="text-align: center;">Life Skills</p> 	 <p style="text-align: center;">PE</p> 
<p style="text-align: center;">In school we are learning: Food hygiene and safety</p> <p style="text-align: center;">Home learning opportunities: Can they prepare a weekly dinner plan and write the shopping list. Can they attend the shopping trip and navigate around the shop to collect all items. At home when helping cook can you discuss decisions around safety and food hygiene when preparing food.</p>	<p style="text-align: center;">In school we are learning: Cricket</p> <p style="text-align: center;">Home learning opportunities: Does your child know the rules around cricket? Could you watch a short video introducing cricket? Do they know the correct terminology of cricket equipment? Can you practise some cricket skills with some games? Perhaps play skittles with a ball and some empty plastic bottles to practise striking/ play 'piggy in the middle' to practise catching?</p>

Discovery Days

In our discovery days we will be focussing on humanities, science, RE and creative subjects.

For our science this term we are learning about:

In our humanities sessions we are learning about the volcanic eruption in Pompeii!

Home learning opportunities:

Can your child look at videos about volcanoes? Have a look at the landscape around you. Discuss how it may have changed over time due to natural elements. Discuss how it may feel to experience a natural disaster like volcanic eruptions. Can you find a science experiment to make your own erupting volcano?

Useful Websites/Apps

Some of these may require login information. Please speak to your class teacher or child's key worker for details.
