

Our Learning Newsletter: Summer 2

 <p style="text-align: center;">English</p> 	 <p style="text-align: center;">Maths</p> 
<p>In school we are learning: To write in the third person and from different first person perspectives. We are reading Lord of the flies and focussing on key themes.</p> <p>Home learning opportunities: Keep a diary throughout the day writing with detailed description. Ask another person you spent the day with key questions about their perspectives on the days events.</p>	<p>In school we are learning: Revisiting multiplication and division facts to support recall of factors. We will also revisit data collection and analysing.</p> <p>Home learning opportunities: Can they practice random timetable multiplication and division facts with instant recall. Access online practice of timetables. Create their own survey with stastical answers and collect results.</p>
 <p style="text-align: center;">PSHE</p> 	 <p style="text-align: center;">Computing</p> 
<p>In school we are learning: The human reproduction system and caring/ intimate relationships.</p> <p>Home learning opportunities: Do they have any questions for you? At school we have a question box that they can put questions in without having to ask in person this could be a way of them initiating conversations with you.</p>	<p>In school we are learning: Researching and comparing information to make informed choices.</p> <p>Home learning opportunities: The children have been tasked with researching and comparing prices of cinema tickets at different venues. Could they organise a family holiday for you searching for package deals, restaurnts and entertainment for the whole family. Presenting and comparing prices.</p>
 <p style="text-align: center;">Life Skills</p> 	 <p style="text-align: center;">PE</p> 
<p>In school we are learning: Food hygiene and safety</p> <p>Home learning opportunities: Can they prepare a weekly dinner plan and write the shopping list. Can they attend the shopping trip and navigate around the shop to collect all items. At home when helping cook can you discuss decisions around safety and food hygiene when preparing food.</p>	<p>In school we are learning: We have a cricket coach coming into school and are joining with Amethyst class.</p> <p>Home learning opportunities: Can your child work on aiming for an object or target. We will exploring different bowling techniques of under, over and side throws. How can they modify their throws when outside in the wind in comparison to inside. Watch and discuss a cricket match, what are the rules and point scoring system?</p>

Discovery Days

In our discovery days we will be focussing on humanities, science, RE and creative subjects.

For our science this term we are learning about:

For careers week this half term we will be focussing on work experience opportunities.

Home learning opportunities:

Are there any jobs at home they can help you and gain experience in for example- cooking meals, washing clothes, playing or teaching younger siblings, writing emails or running errands .

Can they search for work experience relating to their future aspirations or careers?

What jobs are there in the Southampton area that interest them and what are the required qualifications?

Useful Websites/Apps

Some of these may require login information. Please speak to your class teacher or child's key worker for details.
