

Our Learning Newsletter: Autumn 2

 <p style="text-align: center;">English</p> 	 <p style="text-align: center;">Maths</p> 
<p style="text-align: center;">In school we are learning: about the story 'Treasure Island' by Robert Louis Stevenson</p> <p style="text-align: center;">Home learning opportunities: here's a pirate story to share https://www.youtube.com/watch?v=0f0r2GnRLZs</p> <p style="text-align: center;">Make a pirate ship like this one:</p>  <p style="text-align: center;">Create some tasty fruit swords on kebab sticks</p>	<p style="text-align: center;">In school we are learning: about calculations, size and time</p> <p style="text-align: center;">Home learning opportunities: here are some problem solving ideas for you to try at home:</p> <p style="text-align: center;">Guess how many items are in a food box or container and count to check Take 'orders' for drinks and record on a tally chart Ask your child to help you 'sort' the laundry. Can they organise each family members clothes or pair socks up? Time how long it takes your child to do a task e.g. to tidy away their toys. Do they get faster with practise?</p>
 <p style="text-align: center;">PSHE</p> 	 <p style="text-align: center;">Computing</p> 
<p style="text-align: center;">In school we are learning: about Healthy Eating</p> <p style="text-align: center;">Home learning opportunities: we will be using the Eatwell Guide to learn about different food groups. Go on a food treasure hunt at your house (see link below). Which food group does each food belong to? Have a look on food labels to see where your food comes from. Be brave and try a new food. How did it smell/taste?</p> <p style="text-align: center;">https://healthyschoolscp.org.uk/wp-content/uploads/2020/05/Home-Learning-Resource-1-Food-I-Spy.pdf</p>	<p style="text-align: center;">In school we are learning: about using images and coding</p> <p style="text-align: center;">Home learning opportunities: we will be continuing with multimedia activities which will include mark making, painting and colouring and the use of images. Explore iPad apps together, look at a book/magazine and choose your favourite picture (image). Show your child how to safely use technology at home e.g. the microwave to make a mug cake, the washing machine, tumble dryer or dishwasher. Can they follow the process through from beginning to end?</p>
 <p style="text-align: center;">Life Skills</p> 	 <p style="text-align: center;">PE</p> 
<p style="text-align: center;">In school we are learning: Life skills - this term in life skills we will be looking at personal hygiene. We will cover various topics such as teeth cleaning, washing clothes, brushing hair, etc.</p> <p style="text-align: center;">Home learning opportunities: Use your time at home to think about your own personal hygiene and is there anything you can develop (for example independently brushing teeth)?</p>	<p style="text-align: center;">In school we are learning: In PE this term we will be enjoying target games. This will include learning many rolling, throwing and kicking techniques with an object. We will use various targets to aim these objects into.</p> <p style="text-align: center;">Home learning opportunities: Pracitise throwing or rolling an object into a target!</p>

Discovery Days

In our discovery days, we will be focussing on humanities, science, RE and creative subjects. We will look at a variety of topics focusing on the area of Southampton. In creative learning lessons we will look at street art and different techniques used.

Home learning opportunities:

Ask your child to share what they have learned about Southampton! They may like to look at a map of Southampton and to find our school, their home and the city centre on the map. Can they find other local spots on the map too? Talk about what the advantages are of living by the sea in Southampton!

Useful Websites/Apps

Some of these may require login information. Please speak to your class teacher or child's key worker for details.

Class Reminders

We have PE on Thursday mornings. If you would like to send in a T shirt for your child to change into for PE please do so (this is not compulsory). We will send it home when it needs washing.

We will have a 'parent drop in' each term, where you are invited to join us for specific curriculum subject followed by a drink with the class. Date for the autumn term is Tuesday 19th November 9.30-10.30am (invitation to follow).

In Spring 1 we will be having class swimming every Tuesday (letter to follow later on in the term). Please note your child will need their own swimming kit and towel, we **do not** have kit in school.
